

Larger orders take about the same resource for us to process as smaller orders do and therefore we benefit more from customers who place larger orders with us. To help recognise and share this benefit we offer the following incentives to place larger orders:

- a) Orders over £120 get free shipping
- b) Orders over £250 get a 5% discount
- c) Orders over £600 get a 10% discount

To take advantage of this offer, either call our customer service team on 01227 362858 when placing your order to let them know you would like to take advantage of this offer, or when emailing your order mention this in the email message. If you are placing an order via the website then use the code BOBB1.
